

Directions to the LASR Lab:

From University Dr. and Campus head west on University Dr and turn left onto 2818/Harvey Mitchell Pkwy S. At the first light, George Bush Dr, turn right. Take the first left, Nuclear Science Rd. and the LASR Lab will be the first building on your right.

If you use "HTRI texas a&m" (former designation of the TLASR Lab), you will find it in many map & navigation data bases. There has not been a street address assigned to this building (it is on Nuclear Science Road, about 300ft south of the intersection of George Bush Drive and Nuclear Science Road.
